5-year Anniversary of the  
Sacramento Region Blueprint

## Join us for an event...

highlighting the first five years of the Blueprint, current work in transportation and land use, and an economic and demographic forecast.

**Sacramento State Union Ballroom**

**Friday April 2, 2010**

**8 a.m. to 11 a.m.**

In December 2004, SACOG unanimously adopted a regional vision for growth—the Blueprint. Five years later, cities and counties have updated plans, developers have added new housing and retail types, and transportation projects from sidewalks to light rail extensions have been built. Come learn about what exactly the Blueprint is, how it came to be, examples of implementation, and a forecast of what's to come.

*The Blueprint ...  
[is] among the  
region's most important  
events over the  
past 25 years due to  
its effects on growth  
for decades  
to come.*
